Dear friends,

Thank you so much for your continued prayers and support! The Lord has been blessing above what I ever hoped or dreamed in the area of my support. Since I started deputation this fall, the Lord has given me excellent meetings in good churches. This is an answer to prayer! Each church that I have been in has been a special blessing in its own way. I would especially like to thank Lighthouse Baptist Church in Waterbury, Connecticut, for taking me on for regular support. Their added contribution brings my support level up to \$525 per month and brings me that much closer to the Dominican Republic!

Certainly, I would appreciate your prayers as I continue to schedule meetings through next spring and summer. Please pray that I would continue to be able to get into good churches and maintain a full schedule of meetings. Please pray with me that I will be able to see young people surrender to do God's will and especially that I would be able to see some called to missions through my ministry on deputation. Also, as I have mentioned before, it is my goal to be able to leave for Spanish language school in January of 2000. Please continue to pray with me that I will have the necessary support by this time.

In His Service,

Luke Townsley
