Dear Friends,

Hannah and I would like to take this opportunity to thank all of you for your faithful prayers and support. The Lord has blessed us greatly. We wish each of you had the opportunity to hear the complete testimony of how God has worked in bringing us together. **To God be the Glory!** We were married at Hannah's home church in Carthage, Missouri on December 10, 1999, with her father performing the ceremony. There were friends and family as well as many from both of our home churches in attendance. We thank the Lord that we are so blessed to have the support and encouragement of so many dear people. We believe God was honored in everything that was done.

Currently our support level is at 85%. We are anticipating being able to leave for language school by the first of March. Please pray with us that this would be possible. We are finishing our deputation, and are packing for the Dominican Republic. We praise the Lord that we do have the funds to pay for our language school, and we would like to once again thank those of you who have helped with this expense.

We are planning to spend January 7-14 on a survey trip to the Dominican Republic. We are both looking forward to being there. There are many things we need to do while there, and we ask that you pray with us that we would be able to accomplish our goals.

In His service,

Luke and Hannah Townsley
