

## Report on Outfit and Passage Needs

September 2000

Our goal is to finish our language studies here in Costa Rica and move to the Dominican Republic this coming May. This move will entail many expenses. We have been able to save a significant amount of our outfit and passage funds during deputation and language school. For this, we thank the Lord and those who have helped us. In addition, two churches have already given a total of \$1,200 specifically toward our vehicle fund. \$1,000 of this is not reflected below since it was recently given and has not been received as of this writing. It should appear in our next statement to you. Below is a detailed assessment of our costs, savings, and needs. We ask only that you consider these needs prayerfully and do as God leads you.

In His Service,

Luke and Hannah Townsley
