

# The Townsley Times

April-May 2004

Dear Friends,

To God be the glory, great things He has done!!! **La Iglesia Bautista Manantial de Vida was officially chartered on April 25th.** It was an exciting and memorable day for us as we had our second baptism that morning with one salvation and then the charter service in the evening. What a blessing it is to see the six that have been baptized staying faithful and growing in the Lord.

The ladies meetings continue with as much enthusiasm as before, and we can see the Lord really using this event to help them and to work in their hearts. The children have been presenting some special programs which have been a tool in reaching out to some of the

parents who do not attend church.

Within a month, we are planning to start OANSA, a children's Bible club, which should be another great tool in maturing our kids in the Lord and getting the parents more involved. We covet your prayers for us and the ministry here.

*We would like to get a new vehicle BEFORE our truck looks like this!*

## **Please pray with us for :**

- \*the funds and the purchase of a much needed van. It will be used for our growing family as well as for transporting some of our people to church. Our pick-up truck is small and with the rainy season now upon us, is not very adequate for our passengers that ride in the back bed.
- \*the growth and maturing of the church
- \*more men to be involved and lead in the church
- \*our health
- \*wisdom
