IN THE DOMINICAN REPUBLIC

MISSIONARIES TO THE DOMINICAN REPUBLIC

June-July 2003

Dear friends,

We are now back home in the Dominican Republic. This summer, we were able to visit some of our supporting churches as well as share our burden in a few new churches. We were given funds towards our church library, a back-up generator for the new church building, and chairs for the new church. There are many more things we could share concerning God's provision for the new church building, as well as, for us personally. We cannot express our appreciation enough for what the Lord has done.

We were excited to see how the Lord allowed us to be home for our home church's 30th anniversary, as well as to dedicate Meagan Grace to the Lord. It was a special time to be with family and friends. Meagan Grace was showered with a lot of love as well as gifts. The Lord provided everything she needed and more. We thank the Lord for such a happy and healthy baby. God has been good to us in every aspect.

Although we enjoyed the time home, by the end of our furlough, we felt recharged and ready to get back to the special people God has given to us to serve. We arrived back in the D.R. and hit the ground running. Our friends and neighbors were eager to see us back greeting us with open arms. The children keep coming by our home wanting to know about VBS since they missed our Saturday Bible Club while we were gone. It is a joy to see how the Lord is already using little Meagan. We can hardly take her out of the house without children and neighbors flocking around her.

The Lord has provided a building for the church we are working to start! It is only 5 minutes walking distance from our home. Thank you for your prayers. The Lord has opened doors step by step. Erik Johnson and Richard Dean came to visit us for a week and worked so hard helping us get the church building ready for our upcoming VBS. What a joy to finally have a place!!!

Please continue to pray with us for wisdom as we seek His perfect will concerning a number of ministries we are planning, as well as for the salvation of those already attending our meetings.

In His Service,
